

Project Name (Beneficiary)	Project Summary	Project Start Date	Project End Date	Theme/ subtheme	Total Eligible Expenditure	Total Public Eligible Expenditure	Code of region or area where operation is located
Tesco Ireland Ltd	Installation of a CHP unit with an output capacity of 334kW Electricity and 497 kW heat.	16/04/2007	27/02/2009	CHP & BioHeat	254,600.00	73,980.00	Dublin City
Congregation of the Passion	Installation of a 68.6 kW heat pump.	08/01/2009	23/12/2009	CHP & BioHeat	54,880.00	16,006.00	Dublin City
Congregation of the Passion	Installation of 25.36 sq m of evacuated tube solar collectors.	10/12/2008	23/12/2009	CHP & BioHeat	27,896.00	8,369.00	Dublin City
Ikea Ireland Ltd	Installation of a 650kW wood chip boiler	30/04/2008	30/04/2009	CHP & BioHeat	162,500.00	48,750.00	Dublin City
Clontarf Lawn Tennis Club	Installation of 17.46m2 evacuated tube solar panels.	17/09/2007	30/09/2008	CHP & BioHeat	19,206.00	5,762.00	Dublin City
Fairview Family Practice	3.65m2 flat plate Solar panel on roof to provide hot water for surgery.	11/08/2008	23/12/2008	CHP & BioHeat	4,380.00	1,314.00	Dublin City
Horan Properties	Installation of solar water heating,	28/05/2008	26/06/2009	CHP & BioHeat	29,120.00	7,009.92	Dublin City
Islamic Foundation of Ireland	Installation of 3 x 15 kW heat pumps.	08/06/2009	12/02/2010	CHP & BioHeat	44,203.44	13,261.03	Dublin City
Islamic Foundation of Ireland	Installation of 6.9m2 evacuated tube solar panels	08/06/2009	12/02/2010	CHP & BioHeat	7,860.64	2,343.00	Dublin City
Aragorn Services	Feasibility study re changing existing fossil driven heating systems with a renewable heating system	08/07/2008	31/10/2008	CHP & BioHeat	7,000.00	2,800.00	Dublin City
Sportslink- Public Services Telecom Sports Club Ltd	Installation of 1 no. ENER.G 125 CHP unit and peripheral equipment. CHP unit to be installed to reduce energy costs and energy requirements on site	13/11/2007	30/04/2009	CHP & BioHeat	219,600.00	55,357.43	Dublin City
Willoway Nursing Home Ltd	The grantee will install a 40kW heat pump	01/12/2008	01/10/2009	CHP & BioHeat	25,929.00	7,779.00	Dublin City
Atec Engineering Ltd	The grantee will install 13.8 sq m of flat plate solar collectors	03/02/2009	28/08/2009	CHP & BioHeat	10,060.00	3,018.00	Dublin City
Eamonn O'Connell	Installation of 14.16m2 flat plate solar.	04/11/2010	24/02/2011	CHP & BioHeat	15,500.00	3,398.40	Dublin City
Stream Capital Renewables Ltd	Feasibility study to assess the environmental and economic case for developing a sustainable waste processing plant for Dublin City and County	24/06/2010	24/03/2011	CHP & BioHeat	27,758.80	11,103.52	Dublin City
Directive Ultra Wideband Antenna for Radar	Directive Ultra Wideband Antenna for Radar in Wireless Sensor Networks	14/11/2007	16/12/2009	Commercialisation	76,217.26	76,217.26	Dublin City
Avalanche Photodiode	Avalanche Photodiode	12/05/2008	11/12/2009	Commercialisation	58,638.91	58,638.91	Dublin City
P04273: Oxy Temp- Intrinsic Temperature Compensation for Optical Oxygen Sensors	OxyTemp - Intrinsic Temperature Compensation for Optical Oxygen Sensors	01/07/2007	30/11/2008	Commercialisation	76,096.85	76,096.85	Dublin City
Development of Novel Anti-MRSA Agent	Developemnt of novel anti mrsa agent as the level of anti biotic resistance increases.	01/01/2008	30/06/2009	Commercialisation	87,500.00	84,180.69	Dublin City
F01700 - Vision System for Ambient Monitoring Applications	Vision System for Ambient Monitoring Applications	01/12/2008	30/11/2009	Commercialisation	134,790.00	134,790.00	Dublin City
F01670 - A web based tool for the creation of flash animations	A web based tool for the creation of flash animations	01/05/2008	31/07/2009	Commercialisation	77,540.00	77,540.00	Dublin City
P02106 Personal sensor (P sensor)	Personal sensor (P sensor)	01/04/2009	31/03/2012	Commercialisation	235,566.04	235,566.04	Dublin City
P02121: ZnO nanorod arrays for nano-photonics	ZnO nanorod arrays for nano-photonics	17/06/2009	20/09/2010	Commercialisation	65,744.16	65,744.16	Dublin City
P02122: Development of a micro-optical oxygen sensor for personal health monitoring (microOxySense)	uOxySense	01/04/2009	30/06/2010	Commercialisation	34,117.59	34,117.59	Dublin City
P02126: Wide-Coverage Accurate & Robust Resources: Morphological Proces. of Unrestricted Arabic Text	Morphological Proces.for Unrestricted Arabic Text	31/07/2009	15/08/2010	Commercialisation	67,761.90	67,761.90	Dublin City
P02134: Passive mode-locked lasers for all-optical and radio-frequency applications	Passive mode-locked lasers for all-optical frequen cy	01/09/2009	31/08/2012	Commercialisation	121,360.45	121,360.45	Dublin City
P02144: Lab-On-A-Chip Foundry and Design Service	Lab-On-A-Chip Foundry and Design Service	01/09/2009	30/04/2010	Commercialisation	54,343.07	54,343.07	Dublin City

P02165: Devel. of Micro Molecular Index Card of Cardiovascular Health: Next Gen. Prog.&Diag. BioChip	Micro Molecular Index Card of Cardiovascular Health	30/09/2009	30/09/2010	Commercialisation	68,692.33	68,692.33	Dublin City
P02175: Non-destructive Characterisation of Solar Cells Using Multi-channel Photo thermal Scanning	SolaScan	31/10/2009	30/11/2010	Commercialisation	59,036.56	59,036.56	Dublin City
P03072: Electron Density Sensor as an advanced virtual metrology for plasma technologies	Electron Density Sensor	02/04/2008	31/03/2011	Commercialisation	316,837.16	316,837.16	Dublin City
P03077: Worm Oligosaccharides as Therapeutic Molecules Against Inflammatory Disorders (WORM-AID)	WORM-AID	30/09/2008	03/11/2009	Commercialisation	98,800.13	98,800.13	Dublin City
P03516: Removal of Optical Aberrations in Digital Imaging Systems	ROADIS	01/02/2008	31/01/2011	Commercialisation	301,959.25	301,959.25	Dublin City
P03533: High-Performance Low-Power Hardware Accelerators for Deep Packet Inspection	High-Performance Low-Power Hardware Accelerators	01/10/2008	15/12/2009	Commercialisation	73,758.82	73,758.82	Dublin City
P03557: Design & Dev. of Novel Multifunctional Nano-Platform for Application in Adaptive Sensing Techn.	Development of a Novel Multifunctional Nano-Platform	01/10/2008	25/12/2009	Commercialisation	68,531.87	68,531.87	Dublin City
P03558: User-Centric Access Network Selection Strategy (UCANS)	UCANS	18/12/2008	31/12/2009	Commercialisation	93,580.60	93,580.60	Dublin City
P03560: Band-gap crystals designed for TeraHertz waveguides	Band-gap crystals designed for TeraHertz waveguide	30/11/2008	30/06/2010	Commercialisation	40,430.75	40,430.75	Dublin City
P03566: Photoacoustic Demonstrator for detecting edge bead irregularities in semiconductor wafers	Irregularities in Semiconductor Wafers	01/12/2008	25/12/2009	Commercialisation	73,775.55	73,775.55	Dublin City
P03567: Wireless Autonomous Nutrient Detector	The Wireless Autonomous nutrient detector project (WAND)	01/10/2008	30/09/2011	Commercialisation	302,520.55	302,520.55	Dublin City
P03571: HandySense: Mobile Phone-based sensor platform	HandySense	03/11/2008	02/11/2009	Commercialisation	78,345.88	78,345.88	Dublin City
P03577: Photonic Integrated Circuit for Optical Pulse Source	The photonic integrated circuit for optical pulse source project (PICOPULSE)	31/12/2008	04/04/2011	Commercialisation	171,408.31	171,408.31	Dublin City
P03581: Superior Mon.&Anal. Relayed Through Sensors Providing Longitudinal Info. Nocturnal Toothgrinding	SMART SPLINT	06/10/2008	03/12/2009	Commercialisation	54,287.04	54,287.04	Dublin City
P03582: Val.serum biomarkers: use in early det.&mon. resp. to therapy squamous cell carcinoma of lung	BIOLUNG	01/01/2009	31/12/2009	Commercialisation	89,028.77	89,028.77	Dublin City
P03590: AmBeR - Development of a point of care device for monitoring breath ammonia	The Development of a point-of-care device for monitoring breath ammonia (AmBeR)	01/01/2009	31/12/2011	Commercialisation	254,669.56	254,669.56	Dublin City
P03593: Biomedical Applications of Size-Controlled Nanoparticle Clusters BANCs	The biomedical applications of Size-controlled Nanoparticle Clusters project	01/02/2009	31/01/2012	Commercialisation	221,100.40	221,100.40	Dublin City
P03594: Open tubular capillary columns obtained by evanescent wave photopolymerisation (OTC-EP)	OTC-EP; EI	01/01/2009	31/12/2009	Commercialisation	37,016.85	37,016.85	Dublin City

F01715 - S&T Index - Stock Trust Index: Market Analysis and Predictions using Trust	S&T Index - Stock Trust Index: Market Analysis and Predictions using Trust	10/12/2008	09/12/2009	Commercialisation	94,445.00	94,445.00	Dublin City
F01708 - Development of novel anti-obesity (serum triglyceride level-lowering) peptidomimetic compounds	Development of novel anti-obesity (serum triglyceride level-lowering) peptidomimetic compounds	19/01/2009	18/01/2010	Commercialisation	55,728.00	55,728.00	Dublin City
F01729 - Aspiration Efficiency Reducer (AER)	Aspiration Efficiency Reducer	01/09/2009	30/08/2010	Commercialisation	45,637.00	45,637.00	Dublin City
F01726 - Electroactive Tuneable Biocidal polymer composites and the Bioelectric Effect (ETUBE)	Electroactive Tuneable Biocidal polymer composites and the Bioelectric Effect	01/07/2009	30/06/2010	Commercialisation	86,285.00	86,285.00	Dublin City
F01743 - LUNGMARK: Towards Diagnostic and Theranostic Blood-Based RNA Biomarkers for Lung Cancer	Towards Diagnostic and Theranostic Blood-Based RNA Biomarkers for Lung Cancer	05/10/2009	04/10/2010	Commercialisation	52,372.00	52,372.00	Dublin City
F01744 - Low Profile Catheter Based Mitral Valve Repair	Low Profile Catheter Based Mitral Valve Repair	01/11/2009	31/10/2010	Commercialisation	47,410.00	47,410.00	Dublin City
F01521 - Mesh TV: High-Bandwidth Peer-to Peer Live Streaming for Internet Television	Mesh TV: High-Bandwidth Peer-to Peer Live Streaming for Internet Television	02/07/2007	30/06/2008	Commercialisation	66,749.00	66,749.00	Dublin City
F01512 - Text Resources and Visualisation for Elearning languages (TRAVEL)	Text Resources and Visualisation for Elearning languages (TRAVEL)	02/07/2007	30/09/2008	Commercialisation	55,704.00	55,704.00	Dublin City
F01514 - Quantum dot - liquid crystal conjugates	Quantum dot - liquid crystal conjugates	02/07/2007	31/12/2008	Commercialisation	73,960.00	73,960.00	Dublin City
F01523 - Liposomal drug carrier systems for inhalation chemotherapy of lung cancer	Liposomal drug carrier systems for inhalation chemotherapy of lung cancer	02/07/2007	30/10/2008	Commercialisation	80,118.00	80,118.00	Dublin City
F01603 - care services	An integrated framework to support adolescent mental health care services	01/10/2007	31/01/2009	Commercialisation	72,036.00	72,036.00	Dublin City
F01632 - Sophie: a Reasoning Engine for implicit Web Ranking using Users Activity	Sophie: a Reasoning Engine for implicit Web Ranking using Users Activity	10/12/2007	31/01/2009	Commercialisation	73,586.00	73,586.00	Dublin City
F01630 - Peerhosting - A High-Availablity Peer-to-Peer Webhosting service	Peerhosting - A High Availability Peer-to-Peer Webhosting Service	10/12/2007	31/01/2009	Commercialisation	88,573.00	88,573.00	Dublin City
F01616 - Development of waveguide amplifiers from solution-processable materials	Development of waveguide amplifiers from solution-processable materials	10/12/2007	09/12/2008	Commercialisation	38,972.00	38,972.00	Dublin City
F01548 - Pay-As-You-Go for Next Generation Mobile Networks	Pay-As-You-Go for Next Generation Mobile Networks	01/05/2007	30/04/2010	Commercialisation	344,064.00	344,064.00	Dublin City
F01529 - 3D Surface Metrology for Cosmetics and Dermatology Applications	3D Surface Metrology for Cosmetics and Dermatology Applications	01/07/2007	16/01/2010	Commercialisation	399,992.00	399,992.00	Dublin City
F01513 - Variable Conductance Heat Pipe for Controlled Space Heating (VCHPCH)	Variable Conductance Heat Pipe for Controlled Space Heating (VCHPCH)	01/07/2007	30/09/2009	Commercialisation	267,912.00	267,912.00	Dublin City
Image-based Obstacle Detection and Collision-warning System for Aircraft Ground Handling	Image Based Obstacle Detection and Collision Warning System for Aircraft Ground Handling	01/06/2007	01/10/2010	Commercialisation	291,895.38	291,895.38	Dublin City
F01617 - Preclinical development of a new Aspirin Technology	Preclinical Development of a New Aspirin Technology	01/10/2007	30/06/2010	Commercialisation	355,200.00	355,200.00	Dublin City
F01644 - A novel stent system consisting of multiple, independent stents delivered from a single device	A novel stent system consisting of multiple, independent stents delivered from a single device	01/06/2008	30/11/2010	Commercialisation	178,981.00	178,981.00	Dublin City
F01684 - Software Defined Flexible Radio Development Platform	Software-Defined Flexible Radio Development Platform	01/02/2008	30/07/2010	Commercialisation	354,540.00	354,540.00	Dublin City

Development of dual inhibitors of tumour angiogenesis/vasculature	Development of dual inhibitors of tumour angiogenesis/vasculature	01/10/2008	30/09/2011	Commercialisation	292,474.16	292,474.16	Dublin City
F01681 - A Scalable Programmable Architecture for Ray-Tracing Applications	SPARTA - A Scalable Programmable Architecture for Ray-Tracing Applications	01/09/2008	31/08/2010	Commercialisation	160,824.00	160,824.00	Dublin City
Endoscopy Screening: ENDO VIEW	Computer Aided Decision Support to Improve the Quality of Endoscopy Screening	01/10/2008	01/10/2011	Commercialisation	333,531.14	333,531.14	Dublin City
The optimisation of a new elution/infusion balloon technology that allows continuous blood	The optimisation of a new elution/infusion balloon technology that allows continuous blood flow during drug delivery to a dysfunctional artery wall	01/10/2009	30/09/2011	Commercialisation	174,751.10	174,751.10	Dublin City
Commercialisation of RCSI's Drug Delivery Mechanisms - DDM	The purpose of this Commercialisation Plus project is to create an investment-ready company (NewCo) to exploit three late-stage complimentary drug delivery technologies in the market.	16/11/2009	15/05/2010	Commercialisation	9,375.00	9,375.00	Dublin City
Validation of specific and sensitive autoantibody markers in lymphoma for non-invasive tests	Disease-associated autoantibodies represent potentially highly specific, extremely sensitive markers for the early identification of lymphoma in patients (approx. 300,000 people are diagnosed p.a.) by means of a simple non-invasive blood test, thus contributing towards a quicker diagnosis (and an earlier start with the correct chemotherapy) and eliminating the need for otherwise unnecessary and painful biopsies.	07/09/2007	15/01/2009	Commercialisation	81,170.40	81,170.40	Dublin City
Polyphasic collagen-based composite scaffolds for osteochondral defect repair	This application proposes a novel, bioactive osteochondral substitute material for use in the regeneration and repair of osteochondral defects.	10/12/2007	23/03/2009	Commercialisation	61,726.29	61,726.29	Dublin City
A hybrid protein to block IGF activity in cancer	The purpose of engineering the hybrid protein	01/11/2007	30/06/2009	Commercialisation	80,709.95	80,709.95	Dublin City
Novel Osteoinductive Composite scaffolds for BMP delivery for bone tissue repair	This proposal will elucidate the potential of using a novel composite collagen-hydroxyapatite scaffold.	01/11/2008	30/10/2009	Commercialisation	80,241.21	80,241.21	Dublin City
Alcohol Intake: An Acoustic-based detection system Telephone-based Alcohol Detection System (TADS)	Our innovative concept is to offer people a telephone service which will analyse their speech pattern and so tell them of their blood alcohol level which will allow them to make an informed decision as to whether they are fit to drive.	01/01/2009	31/12/2009	Commercialisation	83,433.72	83,433.72	Dublin City
Novel and enantioselective preparation of sulfonic acids for commercial exploitation	Aim of this project is the development of a novel synthetic technology to prepare sulfonic acids starting from bisulfite and alkenes.	01/02/2009	31/01/2010	Commercialisation	73,421.41	73,421.41	Dublin City
New Urethral Catheter 1 (NUC1)	We are proposing a NEW DESIGN OF URETHRAL CATHETER that target most of the complications associated with current catheters.	05/01/2009	05/01/2010	Commercialisation	107,344.48	107,344.48	Dublin City
Development of a minimally invasive serum test for the diagnosis of colorectal cancer and the priori	This study aims to determine the ability of these autoantibody markers to accurately detect CRC in patient sera and is the first step in the development of a non-invasive, inexpensive CRC specific serum diagnostic test.	01/02/2009	31/03/2010	Commercialisation	78,200.91	78,200.91	Dublin City
A Self-Remediating (SELF-REM) beverage storage technology for use against microbial and chemical con	This project proposes a viable solution to the problem of biological contamination (or recontamination) of bottled liquid beverages or drinking water.	01/10/2009	15/11/2011	Commercialisation	43,305.62	43,305.62	Dublin City
Development of a bi-layered cardiac scaffold to enhance the natural cardiac stem cell response in ca	The project is aimed at developing a collagen-GAG scaffold to deliver the optimal concentration of IGF and HGF to elicit an efficacious Cardiac Stem Cell response in vivo	12/10/2009	23/12/2010	Commercialisation	94,171.50	94,171.50	Dublin City
Evaluation of the neuroprotective effect of angiogenin protein delivery in ALS mice	We now propose to take this research further and to examine the potential neuroprotective effects of ANG treatment in a mouse model of ALS, a step which will be essential for the further commercialisation of these research findings	01/07/2007	31/10/2008	Commercialisation	69,528.35	69,528.35	Dublin City
Design and Manufacture of a Novel Bone-protecting Handheld Distractor	Our aim is to construct an instrument which is surface conforming and evenly applies its contact stress This is intended as being protective of the pathologically fragile bone of osteoporosis which is specifically vulnerable to the kind of intra-operative damage existing instruments can inflict.	15/04/2007	30/11/2008	Commercialisation	57,079.83	57,079.83	Dublin City
Collagen-Hydroxyapatite Composite Scaffolds As Bone Graft Substitutes	In this application, a biocompatible, osteoconductive, composite scaffold with mechanical properties suitable for bone grafting is proposed.	01/10/2007	31/01/2011	Commercialisation	265,575.08	265,420.08	Dublin City
Polyphasic collagen-based composite scaffolds for osteochondral defect repair	The objective of the proposed project is to optimise a novel polyphasic gradient tissue engineering scaffold for osteochondral repair and to explore the commercial potential of such a product.	24/06/2009	30/06/2012	Commercialisation	276,906.03	276,906.03	Dublin City

<b>A collagen scaffold-based system for gene and drug delivery to facilitate bone tissue repair (TheraC</b>	Objective: to develop products for tissue regeneration that have a dual functionality: (i) to act as scaffolds to promote tissue formation and (ii) act as carriers for pharmacological agents (i.e. drugs, growth factors and genes) aimed at achieving complete regeneration of damaged bone.	01/11/2009	30/10/2013	Commercialisation	199,745.59	199,745.59	Dublin City
<b>Validation of RCSI's Novel Fast Dissolving/ Disintegrating Tablet Technology And Development of the</b>	This project aims to develop RCSI's novel fast dissolving/disintegrating tablet (FDDT) technology to pilot scale GMP manufacture and apply it to develop a number of potential product candidates one of which will be evaluated in a clinical pharmacokinetic against the originator product as the reference.	01/08/2007	15/11/2010	Commercialisation	326,100.70	326,100.70	Dublin City
<b>The Development of Pathogen-Specific Tags for the Activation of Phagocytosis</b>	The proposed proof-of-concept is aimed at verifying that these tags are effective in staphylococci as we have experience with these bacteria and many different ways of characterizing them.	01/07/2009	30/09/2010	Commercialisation	83,556.00	83,556.00	Dublin City
<b>Systemic delivery of angiogenin protein for the treatment of ALS: Therapeutic modulation of angiogen</b>	The overarching aim of this Technology Development Commercialisation proposal is to develop a technology for the systemic delivery of angiogenin protein that modulates angiogenin levels in the spinal cord and is beneficial for the treatment of motoneuron disorders.	01/05/2009	31/10/2011	Commercialisation	321,686.44	321,686.44	Dublin City
<b>NanoVigil+</b>	NanoVigil+	01/03/2009	29/07/2010	Commercialisation	58,337.92	58,337.92	Dublin City
<b>Humidity Sensitive Hologram</b>	Humidity Sensitive Hologram	01/07/2009	01/06/2010	Commercialisation	21,866.19	21,866.19	Dublin City
<b>High Performance Antennas UWB Systems</b>	Low Cost, High performance antennas for UWB systems	01/04/2008	28/02/2009	Commercialisation	38,678.49	38,678.49	Dublin City
<b>Aluminium Alloys</b>	Development of Hydrophobic "Green" Coatings for the Protection of Low-Cost Aluminium Alloys	18/06/2008	05/02/2010	Commercialisation	77,001.87	77,001.87	Dublin City
<b>Disposable Fiber Temp Sensor</b>	A Disposable Wide Range All-Fiber Temperature Sensor (DFOS)	19/06/2008	31/05/2010	Commercialisation	58,114.72	58,114.72	Dublin City
<b>Dye Deposition Lithography</b>	Dye deposition lithography - a new low cost optical manufacturing technology DYELITE	01/10/2008	31/03/2010	Commercialisation	64,302.44	64,302.44	Dublin City
<b>Animation for Intelligent Media Applications</b>	ANIMATION FOR INTELLIGENT MEDIA APPLICATIONS	01/02/2009	27/04/2010	Commercialisation	55,319.69	55,319.35	Dublin City
<b>Chinese for International Players</b>	Chineses for International Players	01/10/2009	30/09/2010	Commercialisation	76,970.11	76,970.11	Dublin City
<b>Screening Cervical Smears</b>	Screening Cervical Smears	02/07/2007	31/07/2008	Commercialisation	67,890.43	67,890.43	Dublin City
<b>VOIP Transmission Quality</b>	EQUAL - Development of a Real-time Tool for Predicting VoIP Transmission Quality	01/10/2007	24/07/2009	Commercialisation	63,467.40	63,467.40	Dublin City
<b>Tetrazine in Corrosion Control</b>	Tetrazines in Corrosion Control	10/12/2007	30/08/2009	Commercialisation	51,207.19	51,207.19	Dublin City
<b>Hybrid HoMe Network</b>	Hybrid Home Network	06/10/2008	27/11/2009	Commercialisation	37,091.87	37,091.87	Dublin City
<b>Self Remediating Beverage Storage Tech</b>	A Self-Remediating (SELF-REM) beverage storage technology for use against microbial and chemical contamination	01/10/2009	30/09/2010	Commercialisation	40,373.26	40,373.26	Dublin City
<b>Characterising Adv Properties of Rubber</b>	Characterising Advanced Properties of Rubber for Instantaneously Changing Environments	01/08/2009	31/05/2010	Commercialisation	68,106.28	68,106.28	Dublin City
<b>Foreign Language Utilities</b>	Foreign Language Utilities for Enhanced Learning and Teaching	07/01/2008	06/07/2010	Commercialisation	380,919.67	380,919.67	Dublin City
<b>Electrophoretic Deposition</b>	Application of Waterborne Sol-Gel Coatings by Electrophoretic Deposition	01/03/2008	28/02/2011	Commercialisation	211,369.09	463,638.92	Dublin City
<b>Cervical Cancer Screening</b>	A novel tool for cervical cancer screening based on low resolution Raman spectroscopy	01/10/2009	31/03/2011	Commercialisation	367,803.00	211,369.09	Dublin City
<b>Microwave Plasma Sintering of superabrasive composites (Nanogrind) - R11313</b>	Microwave Plasma Sintering of superabrasive composites (Nanogrind)	01/01/2009	31/12/2009	Commercialisation	106,443.02	106,443.02	Dublin City
<b>Setting up a new Enterprise for the Validation and Commercialisation of Biomarker Panels - R11687</b>	Setting up a new enterprise for the validation and commercialisation of biomarker panels	01/08/2009	31/01/2010	Commercialisation	28,690.50	28,690.50	Dublin City
<b>Exergaming Solutions - R11628</b>	Exergaming solutions - creating a new spin-out company to commercialise the knowledge and IP from the IVREP project from UCD	15/09/2009	30/06/2010	Commercialisation	37,432.70	37,432.70	Dublin City
<b>Kernel Classifiers for Image and Text - R10505</b>	Kernel Classifiers for Image and Text	01/05/2007	31/05/2008	Commercialisation	57,101.78	57,101.78	Dublin City
<b>Pre-clinical development of novel breast cancer therapeutics derived from cow's - R10649</b>	Pre-clinical development of novel breast cancer therapeutics derived from cows	01/09/2007	06/03/2009	Commercialisation	94,932.30	94,932.30	Dublin City

Increased Efficiency Extreme Ultraviolet Light Source Components for Next Genera - R10763	Increased Efficiency Extreme Ultraviolet Light Source Components for Next Generation Lithography	01/03/2008	30/06/2009	Commercialisation	75,777.79	75,777.79	Dublin City
Validation of a Novel Sludge Based Constructed Wetland Reactor for Treating High - R10806	Validation of a Novel Sludge Based Constructed Wetland Reactor for Treating High Strength Wastewaters	01/04/2008	31/12/2009	Commercialisation	36,130.19	36,130.19	Dublin City
Non-dispersive spectral-reflectometry for water monitoring - R10802	Non-dispersive spectral-reflectometry for water monitoring	10/12/2007	10/11/2008	Commercialisation	48,759.49	48,759.49	Dublin City
Converting of Biomolecular & Biomedical Sciences - R10865	Converting of Biomolecular & Biomedical Sciences	01/03/2008	27/02/2009	Commercialisation	78,618.00	78,618.00	Dublin City
Prototype low cost adaptable games platform for exercise science and rehabilitat - R10917	Prototype low cost adaptable games platform for exercise science and rehabilitation professionals	01/05/2008	30/04/2009	Commercialisation	77,461.26	77,461.26	Dublin City
FastTRACT Driving DTI into Clinical Use - R10895	FastTRACT Driving DTI into Clinical Use	10/12/2007	10/06/2009	Commercialisation	61,999.48	61,999.48	Dublin City
Novel Gamma Radiation Terapy Delivery System - R10807	Novel Gamma Radiation Terapy Delivery System	01/03/2008	28/02/2009	Commercialisation	76,284.26	76,284.26	Dublin City
Tuneable Quasi-monochromatic X-Ray Source for Diagnostic, Industrial and Securit - R10936	Tuneable Quasi-monochromatic X-Ray Source for Diagnostic, Industrial and Security Imaging	16/07/2008	15/07/2009	Commercialisation	74,822.13	74,822.13	Dublin City
Novel Optical Probe for Imaging and Diagnostic of the human eye (NOPIDE) - R11232	Novel Optical Probe for Imaging and Diagnostic of the human eye (NOPIDE)	01/12/2008	31/12/2009	Commercialisation	55,305.01	55,305.01	Dublin City
An Engineered Enzyme for Asymmetric Synthesis of Pharmaceutical Drug Building BI - R11121	An Engineered Enzyme for Asymmetric Synthesis of Pharmaceutical Drug Building Blocks (Epoxides)	03/11/2008	30/10/2009	Commercialisation	68,245.14	68,245.14	Dublin City
A novel assay for the detection of developmental toxicants (DevTox) - R11144	A novel assay for the detection of developmental toxicants (DevTox)	01/10/2008	07/12/2009	Commercialisation	80,792.81	80,792.81	Dublin City
Development of mepfarynol as an antipsychotic drug: validation in an animal mode - R11292	Development of mepfarynol as an antipsychotic drug: validation in an animal model of schizophrenia and preliminary studies on mode of action	04/01/2009	31/01/2010	Commercialisation	70,523.27	70,523.27	Dublin City
Minimization of transport-induced vibration impacts on existing buildings - R11263	Minimization of transport-induced vibration impacts on existing buildings	01/12/2008	10/06/2010	Commercialisation	87,119.64	87,119.64	Dublin City
Platform technology development; human foetal mesenchymal syem cells derived fro - R11474	Platform technology development; human foetal mesenchymal syem cells derived from amniocentesis for use in restorative medicine	19/03/2009	30/04/2010	Commercialisation	58,359.82	58,359.82	Dublin City
The Synthesis and Biological Evaluation of a Novel Class of Lipoxin Analogues - R11510	The Synthesis and Biological Evaluation of a Novel Class of Lipoxin Analogues - LIPOIODINES	01/05/2009	31/08/2010	Commercialisation	41,276.68	41,276.68	Dublin City
Chemical Mapping on the nanoscale - R11481	Chemical Mapping on the nanoscale	01/09/2009	01/12/2010	Commercialisation	41,897.85	41,897.85	Dublin City
Development of Prototype Diagnostic Assay in Alzheimer's Disease and MC1 - R11466	Development of Prototype Diagnostic Assay in Alzheimer's Disease and MC1	01/05/2009	31/07/2010	Commercialisation	89,044.25	89,044.25	Dublin City
Nano and Pico technology for large scale protein microarrays and clinical diagno - R11716	Nano and Pico technology for large scale protein microarrays and clinical diagnostics: POLY-PICO			Commercialisation	30.32	30.32	Dublin City
Mathpad: A Recognition System for Handwritten Mathematics - R11621	Mathpad: A Recognition System for Handwritten Mathematics	15/09/2009	14/09/2010	Commercialisation	68,357.17	20,119.67	Dublin City
Digital Predistortion Test Platform for RF Power Amplifiers (DIPA) - R11596	Digital Predistortion Test Platform for RF Power Amplifiers (DIPA)	01/09/2009	15/11/2010	Commercialisation	44,166.21	68,357.17	Dublin City

Structure and evaluation of the anti-MRS antibiotic from a novel streptomycete - R11631	Structure and evaluation of the anti-MRS antibiotic from a novel streptomycete	23/11/2009	22/11/2010	Commercialisation	45,478.35	45,478.35	Dublin City
Electrochemical ELISA for Liver Fluke Detection in Veterinary Applications (E-FL) - R11725	Electrochemical ELISA for Liver Fluke Detection in Veterinary Applications (E-FLUKE)			Commercialisation	9,014.10	9,014.10	Dublin City
DARE: high density hard disk Data Recovery using adaptive spindisk microscopy - R11635	DARE: high density hard disk Data Recovery using adaptive spindisk microscopy	01/12/2009	30/11/2010	Commercialisation	44,201.25	44,201.25	Dublin City
High Protein High Fibre Cheese Snack to Enhance Satiety - R11695	High Protein High Fibre Cheese Snack to Enhance Satiety	01/11/2009	30/04/2011	Commercialisation	46,460.72	46,460.72	Dublin City
Small Molecule Anti-Angiogenics for Retinal Therapy (SMART) - R11732	Small Molecule Anti-Angiogenics for Retinal Therapy (SMART)	01/12/2009	28/02/2011	Commercialisation	57,704.59	57,704.59	Dublin City
Matrix Analysis of (very large) Social Networks (MASNets) - R10497	Matrix Analysis of (very large) Social Networks(MASNets)	01/06/2007	31/07/2008	Commercialisation	54,002.19	54,002.19	Dublin City
Robust EUV Collector Mirror for Next Generation Lithography - R10502	Robust EUV Collector Mirror for Next Generation Lithography	16/04/2007	16/07/2008	Commercialisation	83,112.99	82,189.60	Dublin City
Application of Multiplexed Antibody Assays for the Validation of Senescence-associated Serum Biomarkers	Application of Multiplexed Antibody Assays for the Validation of Senescence-associated Serum Biomarkers	01/10/2007	30/09/2008	Commercialisation	73,701.08	73,701.08	Dublin City
FORTRESS: Forensic Tool for Resilient Steganographic Signatures - R10775	FORTRESS: Forensic Tool for Resilient Steganographic Signatures	01/11/2007	31/10/2008	Commercialisation	84,084.38	84,084.38	Dublin City
Enhanced Sensor Arrays using Complex Nanostructures - R10764	Enhanced Sensor Arrays using Complex Nanostructures	07/01/2008	07/01/2009	Commercialisation	54,684.28	54,684.28	Dublin City
Synthesis and analysis of novel 5-Flourouracil carbonate derivatives - R10861	Synthesis and analysis of novel 5-Flourouracil carbonate derivatives	04/02/2008	31/01/2009	Commercialisation	68,656.21	68,656.21	Dublin City
Scalable Unified Management and Control for Large Scale Sensor Networks (SUMAC) - R10933	Scalable Unified Management and Control for Large Scale Sensor Networks (SUMAC)	01/05/2008	09/04/2009	Commercialisation	81,968.88	81,968.88	Dublin City
Network Level Power Management for Wireless Sensor Networks - R10644	Network Level Power Management for Wireless Sensor Networks	01/09/2007	28/02/2011	Commercialisation	256,400.92	256,400.92	Dublin City
Injection Moulding of Micro Scale Features - R10948	Injection Moulding of Micro Scale Features	01/07/2008	30/06/2011	Commercialisation	170,386.00	170,386.00	Dublin City
Development of Automated Image Analysis Approach for Deiscrimination of Biomarker Protein Expression at the Subcellular Compartmental Level: Application in the Oncology Domain (IHC-MARK)	Development of Automated Image Analysis Approach for Deiscrimination of Biomarker Protein Expression at the Subcellular Compartmental Level: Application in the Oncology Domain (IHC-MARK)	01/10/2008	30/09/2010	Commercialisation	231,276.28	231,276.28	Dublin City
Development of a sigma-1 receptor agonist as an antidepressant with neurotrophin - R11233	Development of a sigma-1 receptor agonist as an antidepressant with neurotrophin modulating actions (psychoScreen II)	01/10/2008	30/09/2010	Commercialisation	324,311.54	324,311.54	Dublin City
Intelligent brace design as a clinical tool for the management and treatment of - R11401	Intelligent brace design as a clinical tool for the management and treatment of spinal deformities - IntellIB	01/02/2009	31/01/2012	Commercialisation	246,766.16	246,766.16	Dublin City
Development of novel antagonists to selectively target the TPα - R11666	Development of novel antagonists to selectively target the TPα and TP Beta isoforms of the human thromboxane A2 receptor	01/11/2009	30/12/2011	Commercialisation	226,402.58	226,402.58	Dublin City
Robust Mirrors for Extreme Ultraviolet Light Sources for Semiconductor Metrology and Laboratory Applications - R11565	Robust Mirrors for Extreme Ultraviolet Light Sources for Semiconductor Metrology and Laboratory Applications	01/09/2009	01/11/2011	Commercialisation	272,030.31	272,030.31	Dublin City
Alternative laser Doppler	Alternative Laser Doppler Vibrometry Systems	01/09/2007	03/12/2010	Commercialisation	38,433.82	38,433.82	Dublin City

<b>Biomolecule Detection</b>	Biomolecule detection using a novel low cost optical scanner (Bioscan)	01/04/2010	30/03/2011	Commercialisation	63,576.70	63,576.70	Dublin City
<b>Surround Sound Technologies</b>	MobiSurround - Location Based Surround Sound Technologies for Constrained Devices	01/04/2010	30/04/2011	Commercialisation	49,577.79	49,577.79	Dublin City
<b>Darius: Diagnosing Coronary Artery Disease Using Heart Sounds - R11796</b>	Darius: Diagnosing Coronary Artery Disease Using Heart Sounds	01/04/2010	30/04/2011	Commercialisation	58,840.03	58,840.03	Dublin City
<b>InCUs: Automated Investigation of Computer Usage - R11868</b>	InCUs: Automated Investigation of Computer Usage	01/04/2010	30/04/2011	Commercialisation	98,056.50	98,056.55	Dublin City
<b>Real-Time Adaptive Learning-based Traffic Control (REALT)</b>	Real-time Adaptive Learning-based Traffic Control	01/05/2010	30/04/2013	Commercialisation	113,641.45	113,641.45	Dublin City
<b>Antimicrobial Paint</b>	Antimicrobial Paint	01/03/2010	04/12/2010	Commercialisation	54,316.71	54,316.71	Dublin City
<b>M3D-Music 3D</b>	M3D - Music 3D	01/02/2011	09/11/2012	Commercialisation	79,703.62	79,703.62	Dublin City
<b>RAMAN</b>	Cell detection of algorithms combined with Raman spectroscopy for increased accuracy in cervical cancer screening	01/02/2011	15/06/2012	Commercialisation	38,601.65	38,601.65	Dublin City
<b>Molecular PAP</b>	A molecular pap test for cervix cancer screening detecting HPV infection and cellular abnormalities in exfoliated cervical cells	01/09/2011	02/10/2012	Commercialisation	10,568.16	10,568.16	Dublin City
<b>Technical development and demonstration of an energy efficient bioreactor (OxyMem) for wastewater tr</b>	Technical development and demonstration of an energy efficient bioreactor (OxyMem) for wastewater tr	21/03/2011	20/05/2012	Commercialisation	52,809.52	52,809.52	Dublin City
<b>Application of antimicrobial natural product coatings on consumer products and medical packaging</b>	Application of antimicrobial natural product coatings on consumer products and medical packaging	21/03/2011	20/05/2012	Commercialisation	50,882.82	50,882.82	Dublin City
<b>Racetams as Novel Myelin Organisation Repair treatments for Multiple Sclerosis (NoMoreMS)</b>	Racetams as Novel Myelin Organisation Repair treatments for Multiple Sclerosis (NoMoreMS)	21/03/2011	20/05/2012	Commercialisation	50,261.14	50,261.14	Dublin City
<b>SocialLens: SocialMedia Enterprise Analytics</b>	SocialLens: SocialMedia Enterprise Analytics	21/03/2011	20/05/2012	Commercialisation	27,867.88	26,944.50	Dublin City
<b>Egocentric Network Analysis and Visualization (EgoNav)</b>	Egocentric Network Analysis and Visualization (EgoNav)	21/03/2011	20/05/2012	Commercialisation	19,380.14	19,380.14	Dublin City
<b>ForkStream: Seamless 3G Mobile Data Traffic Offload</b>	ForkStream: Seamless 3G Mobile Data Traffic Offload	21/03/2011	20/05/2012	Commercialisation	33,143.61	33,143.61	Dublin City
<b>High-performance hydrogen storage technology from Ammonia Borane - ABPower</b>	High-performance hydrogen storage technology from Ammonia Borane - ABPower	21/03/2011	20/05/2012	Commercialisation	17,799.20	17,799.20	Dublin City
<b>EQUILUME: INDIVIDUAL LIGHT THERAPY FOR HORSES</b>	EQUILUME: INDIVIDUAL LIGHT THERAPY FOR HORSES	21/03/2011	20/05/2012	Commercialisation	8,172.90	8,172.90	Dublin City
<b>Flow-Enhanced Nonlinear Magnetophoretic Biosensor for Sexually Transmitted Infections (F-NLM-STI)</b>	Flow-Enhanced Nonlinear Magnetophoretic Biosensor for Sexually Transmitted Infections (F-NLM-STI)	21/03/2011	20/05/2012	Commercialisation	987.57	987.57	Dublin City
<b>Pre-clinical evaluation of an RNAi-mediated therapeutic for cerebral edema</b>	Pre-clinical evaluation of an RNAi-mediated therapeutic for cerebral edema	01/03/2011	29/02/2012	Commercialisation	70,074.28	70,074.28	Dublin City
<b>A new chromatographic media for bioseparations</b>	A new chromatographic media for bioseparations	01/05/2011	30/04/2012	Commercialisation	50,652.66	50,642.66	Dublin City
<b>THRIVE - Tracking Headphones Realise Immersive Virtual Environments</b>	THRIVE - Tracking Headphones Realise Immersive Virtual Environments. Development of audio technology to deliver immersive environments for e-Learning and 3D video	01/02/2011	31/03/2012	Commercialisation	44,140.20	44,140.20	Dublin City
<b>nanOpatterning of Hard Materials (NOHMa)</b>	nanOpatterning of Hard Materials (NOHMa)	01/09/2011	31/12/2011	Commercialisation	25,308.15	25,308.15	Dublin City
<b>CipherDocs - A Secure Cloud Document Storage Solution</b>	CipherDocs - A Secure Cloud Document Storage Solution	01/08/2011	31/12/2011	Commercialisation	17,136.19	17,136.19	Dublin City

OSNR monitoring of phase modulated signals using optical interferometers with variable optical delay	OSNR monitoring of phase modulated signals using optical interferometers with variable optical delay	01/06/2011	31/12/2011	Commercialisation	14,302.12	14,302.12	Dublin City
The in vivo evaluation of an easy to position transcatheter mitral valve repair/replacement device	The in vivo evaluation of an easy to position transcatheter mitral valve repair/replacement device	01/04/2011	31/12/2011	Commercialisation	841.25	841.25	Dublin City
P10972 Validation of candidate biomarkers for the early detection of colorectal cancer	Validation of candidate biomarkers for the early detection of colorectal cancer	01/01/2011	31/12/2011	Commercialisation	72,689.20	72,689.20	Dublin City
P11016 Electroactive Monoliths for HPLC and Lab-on-a-chip	Electroactive Monoliths for HPLC and Lab-on-a-chip	01/04/2011	31/03/2012	Commercialisation	63,162.00	27,741.11	Dublin City
P30000 Pre-clinical evaluation of promising proprietary therapeutics targeted to sensory nerves	Pre-clinical evaluation of promising proprietary therapeutics targeted to sensory nerves	01/05/2011	31/10/2012	Commercialisation	9,995.43	9,995.43	Dublin City
P30009 Energy-optimal Adaptive Scheme for Wireless Devices	Energy-optimal Adaptive Scheme for Wireless Devices	31/08/2011	30/04/2013	Commercialisation	29,282.96	29,282.96	Dublin City
P30013 Transformative Catalysis: the Only Transition/Heavy Metal Free Olefination Process	Transformative Catalysis: the Only Transition/Heavy Metal Free Olefination Process	01/09/2011	30/06/2013	Commercialisation	6,118.69	6,118.69	Dublin City
Commercialisation of Green organocatalyses and products thereof for the bulk production of API and their Analogues	Commercialisation of Green organocatalyses and products thereof for the bulk production of API and their Analogues	19/09/2011	18/12/2011	Commercialisation	9,000.00	9,000.00	Dublin City
Cadbury Ireland Ltd	The grantee will insulate all hot water pipes feeding process equipment and insulate jacketed pipes for butter & chocolate lines	25/09/2009	30/12/2009	Energy For Business	110,709.00	25,971.57	Dublin City
Roadstone Wood Group	The grantee will optimise the quarry de-watering process in the Belgard quarry.	09/09/2009	23/12/2009	Energy For Business	110,709.00	35,242.00	Dublin City
Eircom Ltd	The grantee will implement the SAFED programme to train drivers in fuel efficient driving techniques	29/09/2009	23/12/2009	Energy For Business	110,709.00	39,900.00	Dublin City
Merinda Developments Ltd	The grantee will install energy efficient measures such as lighting, controls etc	13/10/2009	11/12/2009	Energy For Business	110,709.00	38,901.11	Dublin City
Independent Express Cargo Ltd	The grantee will install new energy efficient lighting	30/09/2009	17/12/2009	Energy For Business	110,709.00	8,171.95	Dublin City
Smithfield Market Management Company	The grantee will install more energy efficient lighting in the car park.	13/10/2009	11/12/2009	Energy For Business	110,709.00	60,082.75	Dublin City
Friends First	The grantee will carryout energy efficient measures such as lighting & PIR controls	13/10/2009	18/12/2009	Energy For Business	110,709.00	72,606.63	Dublin City
Citibank	CITI New Energy Initiative. Recommission absorption chillers. Reduced/Decommission old expansion chillers. Install District Heating System, Install Energy Monitoring System	16/07/2012	24/12/2013	Energy for Business	491,000.00	168,000.00	Dublin City
PriceWaterHouseCooper	Upgrade BMS Programming. Improvements to HVAC Controls & Sensors Upgrade. Lighting & Controls Upgrade. Retrofit of Condenser to one of the Main Boilers.	19/08/2011	23/12/2011	Energy for Business	930,000.00	268,228.11	Dublin City
Dunnes Stores	Install Renewable District Heating System, Intelligent Boiler Load Optimization, LED Lighting Retrofit in Chill & Frozen Cabinets & Lighting Upgrade in Multiple Sites. Install Cold-Stop Curtains in Cold rooms. Voltage Optimization & Variable Speed Drive Retrofit	16/07/2012	23/01/2013	Energy for Business	1,250,010.44	250,002.00	Dublin City
Tesco Ireland Ltd	Retrofit low energy technologies and control systems in stores nationwide.(Energy Display Boards, Eliminator Fridge Doors, Voltage optimisers, Integration of the energy control systems)	06/09/2011	20/12/2011	Energy for Business	568,854.35	56,885.44	Dublin City
Royal College of Surgeons Ireland	Installation of a condensing gas boiler, Upgrade of existing BMS controls, Re-Commissioning existing HVAC plant, Upgrade of lighting and controls.	21/08/2012	07/12/2012	Energy for Business	148,752.72	52,063.45	Dublin City
Stafford Fuels Limited	Installation of a Building Energy Management System and Energy Efficient Lighting in Lifestyle Sports, Retail store in Dublin	13/08/2012	17/04/2013	Energy for Business	266,478.57	53,295.72	Dublin City
Park Rite	Installation of LED Lighting in 3 Multi-Story Car Parks in Dublin City Centre to achieve energy savings of 68% & reduce Energy Consumption by 541506KWh per year	01/09/2010	01/12/2010	Energy for Business	84,687.00	29,640.45	Dublin City
Citibank NA	The Project involved Installing 3 Weiss Units, Sealing the Comms Room & Installing an 18.5kW Weiss DX CRAC Unit & Installing wireless energy monitoring system	27/09/2010	10/12/2010	Energy for Business	196,319.00	49,079.75	Dublin City

<b>TCD Biomedical Sciences Development</b>	The Biomedical Sciences Development consolidates and co-locates pre-clinical bioscience research activities across five hitherto geographically dispersed TCD schools: Chemistry, Engineering, Biochemistry & Immunology, Medicine, Pharmacy & Pharmaceutical Sciences. The proposal is to integrate and scale interlinked proven quality research themes: Immunology, Cancer and Medical Devices, in a single facility.	21/12/2010	31/12/2018	PRTL (Capital)	1,880,096.31	1,880,096.31	Dublin City
<b>DCU NRF-TRF</b>	Nano-Bio Analytical Research Facility-primary focus on Translational Nanomedicine. Leverage key areas of established research excellence & consolidate advanced facilities and instrumentation. Create an enhanced environment that promotes convergent research and that is aligned with the European Strategic Research Agenda on Nanomedicine. Focus on development of novel nanomaterials and bioanalytical methodologies leading to breakthroughs in diagnostics, biomedical imaging and targeted drug delivery	21/12/2012	31/03/2017	PRTL (Capital)	3,579,276.91	3,579,276.91	Dublin City
<b>TCD Graduate Research Education Programme in Engineering (GREP-ENG)</b>	Engineering Structured PhD Programme for high quality engineering graduate education. Interaction with industrial partners in Ireland Europe and worldwide is an integral part of the programme. Aim is to enable the students creativity and research skills and enhance research through technology transfer and potential for 'start-ups'.	01/01/2011	31/03/2017	PRTL (Current)	2,476,000.00	890,536.82	Dublin City
<b>TCD Digital Arts and Humanities Structured PhD Education</b>	The Structured PhD in DAH is a 4 yr programme that provides world-class training in innovative models of arts practice and theory, and humanities research, archiving and pedagogy. The programme will promote advanced practical and academic research in the application of new media and computer technologies in the arts and humanities.	01/01/2011	31/03/2017	PRTL (Current)	6,828,000.00	983,394.96	Dublin City
<b>TCD Molecular and Cellular Mechanisms Underlying Inflammatory Processes</b>	A Structured PhD Programme which has strong inter-institutional and interdisciplinary component and exploit existing strategic research strengths in cell and molecular biology of inflammation that transcends Immunology, Neuroscience and Cancer. Students will benefit from high quality training providing excellent preparation for varied and flexible careers in the pharmaceutical industry and beyond.	01/01/2011	31/03/2017	PRTL (Current)	2,968,000.00	1,032,857.84	Dublin City
<b>TCD Dublin Graduate Physics Programme</b>	The DGPP will enable UCD and TCD to combine their resources and develop an exceptional joint Structured PhD programme that will be the flagship for graduate level physics education in Ireland. The focus of DGPP will be primarily on cutting-edge and original research, with taught disciplinary and transferrable skills.	01/01/2011	31/03/2017	PRTL (Current)	2,854,000.00	907,775.82	Dublin City
<b>Envirobuild &amp; Associates Ltd</b>	The grantee will install a 6kW wind turbine	12/08/2009	29/07/2010	Renewable Energy	40,475.00	9,000.00	Dublin City
<b>Carl Stuart Ltd</b>	The grantee will install 5.94 kWp of solar PV	06/10/2009	30/06/2010	Renewable Energy	40,475.00	16,190.00	Dublin City
<b>Cool Power Products Ltd</b>	Finalise testing and trialling of the EMMA GVS, research and design an (1) optimised remote monitoring option for EMMA,(2) a revised operating software and hardware platform, (3) develop the EMMA DSM version, Trial EMMA DSM in UK and Ireland and Develop EMMA WFM version to work with Smart Home Area Networks.	19/10/2010	21/11/2011	Renewable Energy	82,594.74	37,167.63	Dublin City
<b>RCSI RERG Equipment</b>	Various equipment items for key research areas identified in the HEA/Forfas Research Infrastructure Review 'Research Infrastructure in Ireland- Building for Tomorrow.' Published in 2007. Research Areas: Translational Medicine-Multiple Channel Laser Doppler and equipment to measure tissue oxygen levels (Oxylite 2000 E); Molecular Immunology Laboratory-Multitask Plate reader; Peptide Laboratory-HPLC System; Human Proteomics- analysis of RNA & DNA gels, FPLC System, chemiluminescent CCD detection.	01/01/2007	01/12/2015	Research Equipmen	363,695.06	363,697.06	Dublin City
<b>DIT Research Equipment Renewal Grant DIT</b>	Various equipment items for key research areas identified in the HEA/Forfas Research Infrastructure Review 'Research Infrastructure in Ireland - Building for Tomorrow.' Published in 2007. Research Areas: Faculty of Applied Arts- Audio-visual research equipment, Digital Media Centre; Faculty of Science-Mass Spectrometer, Thermal Cycler, UPLC Core system; Faculty of Engineering-Power Quality Test Bench, Biopotential acquisition system; Built Environment-Terrestrial laser scanner	01/01/2007	31/12/2015	Research Equipmen	166,555.55	166,555.55	Dublin City
<b>DCU Reseach Equipment Renewal Grant</b>	Various equipment items for key research areas identified in the HEA/Forfas Research Infrastructure Review 'Research Infrastructure in Ireland - Building for Tomorrow.' Published in 2007. Research Areas: Biotechnology; ICT; Health/Life Science; Equipment for compositional analysis at the nanoscale supporting DCUs strategic themes of Science, Discovery and Technological Innovation. Specific items include Scanning Electronic Microscopy, High Performace Computing Cluster, Optical Oscilloscope.	01/01/2007	31/12/2015	Research Equipmen	1,614,059.46	1,614,059.46	Dublin City
<b>TCD Research Equipment Renewal Grant</b>	Various equipment items for key research areas identified in the HEA/Forfas Research Infrastructure Review 'Research Infrastructure in Ireland - Building for Tomorrow.' Published in 2007. Some Research Areas: Library Mgt Server System as TCD library identified in the Review as a'strategic national resource centre'; Neuroscience equipment within school of psychology; Liquid chromatography/mass spectrometer for quantitative analysis of biopharmaceutical compounds; Biomedical Research Equipment	01/01/2007	31/12/2015	Research Equipmen	5,071,204.15	5,071,204.15	Dublin City
