

Project Name (Beneficiary)	Project Summary	Project Start Date	Project End Date	Theme/ subtheme	Total Eligible Expenditure	Total Public Eligible Expenditure	Code of region or area where operation is located
Green Isle Foods Ltd	The grantee will install a 999kW CHP unit	30/01/2009	30/09/2010	CHP & BioHeat	999,000.00	194,805.00	Kildare
Croi Anu Creative Centre	To Install a 8kw heat pump at Athy, Co Kildare.	20/11/2007	31/03/2008	CHP & BioHeat	15,420.00	3,247.00	Kildare
Eamonn Brennan	Solar panel tubes to heat water for the surgery for everyday use for a level fit for washing and general use.	08/06/2009	19/03/2010	CHP & BioHeat	6,900.00	2,070.00	Kildare
Raymond Kiernan	Installing 3 solar thermal panels (6.42 sq m) on south facing roof to provide hot water supply to the creche	02/03/2009	28/08/2009	CHP & BioHeat	6,274.00	1,882.00	Kildare
Josephine Anne Somers Hairsalon	We propose to remove existing Oil fired water heating system that supplies the existing hairdressing salon and replace same with solar thermal water heating system with night rate E.S.B. backup.	14/10/2008	27/02/2009	CHP & BioHeat	13,392.00	4,018.00	Kildare
Paul Newman	Installation of a 220 kw wood pellet boiler.	29/02/2008	31/03/2009	CHP & BioHeat	110,000.00	31,623.30	Kildare
McCarthy's Hardware	It is proposed to install a 300kW biomass boiler to supply heat for the entire facility. The proposed fuel is wood chip. The wood chip will be stored in a 162m3 purpose built wood chip silo, which will be automatically fed into the boiler via a fuel tran	07/04/2008	01/10/2009	CHP & BioHeat	105,000.00	30,023.84	Kildare
Goretti Quinn	To install a geothermal heating system to supply the space heating and domestic hot water	29/02/2008	29/08/2008	CHP & BioHeat	21,447.00	4,671.81	Kildare
Fogarty's Quick Pick	Installation of 9 sq m. of evacuated tube solar collectors.	07/11/2008	27/02/2009	CHP & BioHeat	14,400.00	4,320.00	Kildare
Paul Newman	Installation of 22 sq m of flat plate solar collectors.	29/02/2008	31/03/2009	CHP & BioHeat	17,600.00	5,280.00	Kildare
Newbridge Golf Club	40 kw pellet boiler with 1250 Buffer supplying underfloor heating and hot water. Pellet storage 5.5 ton.	02/06/2009	15/12/2009	CHP & BioHeat	26,000.00	7,800.00	Kildare
Coolcarrigan	Coolcarrigan is a guest house. The house dates back to the 18th century It has previously been heated using a 120kW oil burner. It plans to install a new 100 kW wood chip burner and fuel store. The objectives and rationale for considering biomass boiler	29/11/2007	31/10/2008	CHP & BioHeat	50,000.00	14,681.00	Kildare
Lesley Fennell	Installation of a 150 kW biomass boiler.	20/05/2010	15/10/2010	CHP & BioHeat	70,444.00	20,310.00	Kildare
Irish Equine Centre	Feasibility study on investigating the use of heat recovery systems together with biomass boilers and solar panels to replace existing oil fired boilers	12/02/2010	03/06/2010	CHP & BioHeat	9,500.00	3,800.00	Kildare
Jagrel Ltd	Installation of 11.164m2 of evacuated tube solar panels.	15/09/2009	01/04/2010	CHP & BioHeat	12,200.00	3,660.00	Kildare
Ryevue B&B	Installation of 14.14m2 of flat plate solar panels	18/11/2010	27/01/2011	CHP & BioHeat	11,240.00	3,372.00	Kildare
Maynooth Town Football Club	Installation of 37.6 sq m of flat plate solar collectors	29/11/2007	12/02/2010	CHP & BioHeat	26,431.72	7,929.52	Kildare
Remote Gesture recognition Device for Automotive Vehi	To develop a prototype handheld car key/entry device that has a sensor to detect the hand gestures of the user who is inside/outside the car, to activate/deactivate a range of functions of the car remotely	01/03/2008	18/09/2009	Commercialisation	51,494.72	51,494.72	Kildare
Automated Detection of Environmental Effects on WiMAX	This project proposes to extract information already present in the WiMAX network regarding the wireless propagation characteristics for each user and endeavour to develop algorithms which will detect development of new blackspots.	01/02/2008	31/07/2010	Commercialisation	37,387.93	37,387.93	Kildare
Long-term In-VIVO Electrochemical (LIVE) Monitoring	This project aims to bring prototype in-vitro sensors for NO and rCBF up to in-vivo standards	01/10/2008	30/09/2009	Commercialisation	68,774.76	68,774.76	Kildare
A Novel Selection Maker for Transformation of Biotechn	To prove that detected phenotypic effects in a gliT strain are a direct result of gliT gene deletion	01/05/2008	31/10/2009	Commercialisation	93,598.75	93,598.75	Kildare
SUV Rollover / Tire Pressure Monitor	To propose a real-time estimation algorithm that is based upon the observation that the way a vehicle behaves is inherently linked with its centre of gravity	01/01/2009	31/03/2010	Commercialisation	58,461.98	58,461.98	Kildare
Insecticidal toxins from the insect parasitic nematode St	Insecticidal toxins from the insect parasitic nematode Steinernema carocapsae and their potential use in Agriculture	01/01/2009	31/12/2009	Commercialisation	69,342.06	69,342.06	Kildare
Proving the therapeutic potential of an insect virus prote	Proving the therapeutic potential of an insect virus protein	01/07/2009	31/08/2010	Commercialisation	50,013.15	50,013.15	Kildare
Assessment of efficacy of oral admin of immune priming	Assessment of efficacy of oral administration of immune priming agents to prevent and eradicate infection in honey bees.	01/09/2009	31/08/2010	Commercialisation	62,571.90	62,571.90	Kildare
Hit Optimisation for Insulin resistance and Type 2 Diabet	To optimise the hits to leads using crystallographic analysis of drug-RBP complexes, syntheses of derivatives based on these structures, and in vitro analyses to establish robust structure/activity relationships.	01/11/2009	31/10/2010	Commercialisation	8,938.80	8,938.80	Kildare

Tinnitus Rehabilitation through Auditory Sensory Substitution	Tinnitus Rehabilitation through Auditory Sensory Substitution	01/10/2009	30/09/2010	Commercialisation	28,554.51	28,554.51	Kildare
Closed-Loop Game State Replication Method for Peer-to-Peer	The project aims to develop to the level of licensable technology a method by which game state replication can be achieved across multiplayer computer games in a dynamic and adaptive fashion.	01/08/2007	31/08/2008	Commercialisation	75,816.16	75,816.16	Kildare
The Development of a Highly Selective & Sensitive Dopamine Sensor	The project proposes to form novel materials consisting of a conducting polymer doped with macrocyclic cages and to employ these materials to sense dopamine in a highly selective and sensitive manner.	24/09/2007	23/09/2008	Commercialisation	62,573.93	62,573.93	Kildare
Commercialisation of Maynosin	The project outlines a series of actions to determine the precise suitability of Maynosin for commercial exploitation (including in vivo efficacy), and details the pathway to licencing	07/09/2007	06/10/2008	Commercialisation	58,302.56	58,302.56	Kildare
Development of a novel nanoscale materials for the sensing of nitrate	In this project the researchers address the instability by developing a novel nitrate sensor that is robust, highly selective to nitrates, is capable of sensing nitrates at low concentrations and is highly stable.	31/01/2008	20/01/2009	Commercialisation	63,060.90	63,060.90	Kildare
Chemical Hit Discovery for Insulin Resistance and Type 2 Diabetes	This project will identify small chemical compounds (hits) which will reduce plasma RBP, abrogate its biological effects and in so doing, restore insulin sensitivity and prevent the development of type 2 diabetes.	02/07/2007	01/11/2008	Commercialisation	88,423.18	88,423.18	Kildare
System & Tech. for delivery of therapeutic molecules to target cells	Develop a novel device, RespirEctor, which will enable DNA, siRNA and other therapeutic molecules to be delivered to cells in vivo for the purpose of research and therapy.	01/05/2008	30/04/2010	Commercialisation	303,578.60	303,578.60	Kildare
Biosensor technologies for Neurochemical Applications (Targeted)	To complete the technology development of a polystyrene-based biosensor prototype designed in the BioAnalytics Laboratory and to establish its commercial potential for real-time monitoring of targeted neurochemicals in pre-clinical applications.	01/10/2008	31/12/2011	Commercialisation	263,856.72	263,856.72	Kildare
Platforms for enabling the Next Generation of Software Defined Radios	To develop a baseband controller unit that will allow one to combine existing SDR technologies into a cohesion technology platform. To develop a low-cost high-speed pc-standard communications interface to enable wideband SDR systems	01/08/2008	31/07/2010	Commercialisation	208,037.27	208,037.27	Kildare
Novel biomarker application for the detection of infection	To develop novel test systems for, and identify new antibody biomarkers of, infection, to enable detection of infection with, and exposure to, Aspergillus fumigatus.	01/01/2009	01/01/2011	Commercialisation	181,247.05	181,247.05	Kildare
Electrochemical Biosensors for medical Applications (EBAM)	To completely characterise the sensors for in-vivo application, to further increase sensitivity so that sensors can be used for in-vivo neuronal activity detection and to commercialise these sensors through licencing them to a NUIM start-up company.	01/04/2009	01/04/2012	Commercialisation	391,909.00	224,776.96	Kildare
Control of an array of wave energy devices for electricity generation	The project aims to achieve a software being able to simulate an array of axisymmetric surface wave energy converters.	01/01/2010	31/03/2012	Commercialisation	351,212.00	123,816.99	Kildare
Novel biomarker application for the detection of infection	To develop novel test systems for, and identify new antibody biomarkers of, infection, to enable detection with, and exposure to, Aspergillus fumigatus.	01/01/2009	01/01/2011	Commercialisation	404,050.00	152,951.47	Kildare
Platforms for enabling the Next Generation of Software Defined Radios	To develop a baseband controller unit that will allow one to combine existing SDR technologies into a cohesion technology platform. To develop a low-cost high-speed pc-standard communications interface to enable wideband SDR systems.	01/08/2008	08/11/2010	Commercialisation	362,945.00	29,177.48	Kildare
System & Technology for delivery of therapeutic molecules to target cells	Develop a novel device, RespirEctor, which will enable DNA, siRNA and other therapeutic molecules to be delivered to cells in-vivo for the purposes of research and therapy.	01/05/2008	30/04/2010	Commercialisation	434,007.00	61,353.27	Kildare
Long-term In-Vivo Electrochemical (LIVE) Monitoring: Application of LIVE-BAM	LIVE-BAM this project proposes to address the question "why might pre-clinical behavioural neuroscience fail CNS drug discovery", by using LIVE sensors and techniques to detect in real-time signalling substances released from nerve cells onto the ECF.	01/07/2010	30/06/2011	Commercialisation	88,606.00	95,159.29	Kildare
Tinnitus Rehabilitation through Auditory Sensory Substitution	The project aims to form a start-up company to develop biomedical devices aimed initially at the rehabilitation of Tinnitus and later the other illusory perceptual disorders including Phantom Limb Syndrome. The device - Tinnitus Rehabilitation Device will train the brain to discriminate between real sounds and the imaginary sounds arising from Tinnitus.	01/10/2009	30/11/2010	Commercialisation	92,151.00	46,169.68	Kildare
Hit Optimisation for Insulin resistance and Type 2 Diabetes	To optimise the hits to leads using crystallographic analysis of drug-RBP complexes, syntheses of derivatives based on these structures, and in-vitro analyses to establish robust structure/activity relationships.	01/11/2009	31/12/2010	Commercialisation	103,734.00	60,818.28	Kildare
Proving the therapeutic potential of an insect virus protein	To identify new approaches to regulate exaggerated and /chronic incurable inflammatory based diseases. This project proposes viral Pellino as one strategy to regulate exaggerated/chronic inflammatory responses.	01/07/2009	31/08/2010	Commercialisation	99,581.00	32,923.64	Kildare
SUV Rollover/ Tire pressure Monitor	To propose a real-time estimation algorithm that is based upon the observation that the way vehicle behaves is inherently linked with its centre of gravity.	01/01/2009	31/03/2010	Commercialisation	88,746.00	1,361.23	Kildare
Commercialisation of test for detection of Aspergillus	Identify and contact clinicians working directly with patient groups; Assess market potential for tests; conduct market research	01/08/2011	30/11/2011	Commercialisation	13,000.00	9,191.40	Kildare
O2 and pH Sensor Design, Development and Characterisation	Investigate the most suitable solid-state electrode for clinical O2 sensor; Development of a pH sensor which operates by monitoring the electrochemical redox activity of the p-quinone moiety of surface-bound Fast Blue RR as a function of pH; Pre-clinical in-vivo testing of O2 and pH sensors	01/07/2011	28/02/2012	Commercialisation	88,338.00	21,267.07	Kildare

Digital Sound Mark DSM	To develop prototypes that integrate seamlessly into stakeholders' systems in the music recordign industry and offer them benefits above and beyond what competitors offer.	01/01/2011	31/03/2012	Commercialisation	142,899.00	118,550.39	Kildare
In Vivo Translation of a novel Platform Tech: electrospra	Product and Market Awareness study; Industry analysis of the end-users; Exploration of the commercialisation route to licencing.	01/03/2011	28/02/2012	Commercialisation	149,967.00	88,382.88	Kildare
DSV Road Ltd	upgrade lighting & controls	09/11/2009	04/02/2010	Energy For Business	110,709.00	31,333.05	Kildare
Wyeth Medica Ireland	The grantee will carry out an energy efficient design review	07/12/2007	29/04/2009	Energy For Business	110,709.00	29,716.04	Kildare
Green Isle Foods Ltd	Green Isle produces a range of food & has a 20104sqm plant in Naas & a 2717sqm plant in Guteen,The aim of the project was to install Air Compressor Variable speed drives in Naas & Gurteen, using exisiting thermal load to load to reduce boiler load for office heating in Naas, optimize aeration on effluent system. Improve refrigeration efficiency.	20/10/2011	13/06/2012	Energy for Business	271,404.72	54,280.94	Kildare
Intel Ireland Ltd	The project involved installing a heat exchanger, heating controls, valves & a Promparry pump in the IR1 Data Centre to generate energy savings of 888523KWh per year.	27/09/2010	23/12/2010	Energy for Business	203,400.00	50,850.00	Kildare
Gren Isle Foods Ltd	Install "Vulganus Iceless" AC units to the blast freezers, Retrofit floating head pressure for free/er plants and optimise condenser in Naas refrigeration.	27/09/2010	30/12/2010	Energy for Business	264,244.50	51,081.93	Kildare
Irish Dog Foods Ltd	Install air handling unit in the drying rooms, Upgrade two gas cookers with energy efficient cookers, Install occupancy controls and lux level controlled switching	06/09/2011	23/12/2011	Energy for Business	884,174.47	176,834.89	Kildare
Hewlet Packard (Manufacturing) Ltd	External lighting upgrade, Chiller upgrade with sequence controller and Installation of a vacuum pupm control.	08/08/2012	10/09/2013	Energy for Business	702,679.40	210,803.83	Kildare
Moyvalley Meats (Irl)	The grantee will carry out hot water boiler optimization.	15/08/2012	28/12/2012	Energy for Business	84,997.34	12,749.60	Kildare
QK Cold Stores Ltd	The Grantee will carry out site steam generation efficiency upgrade, site heat recovery, addition of meters to energy monitoring system, upgrade the lighting,cladding and windows in QK Cold Stores offices, Site fork truck chargin efficiency improvement and Energy monitoring system.	16/07/2012	24/12/2012	Energy for Business	214,665.56	32,199.83	Kildare
Simply Soups Ltd	Dawn Farms heat recovery, falling film evaporator, scrape surface heat exchanger, VSD for high temperature refrigeration compressor, steam reduction project, blow-down recovery from TDS, Cooling water heat recovery, Transportation pilot scheme, M&T installation, Lighting upgrade, PC desktop power maangement	04/08/2010	21/12/2010	Energy for Business	1,305,146.96	456,801.44	Kildare
Website Development Grant/ Measure 2	Grant to client towards cost of developing a website. No admin costs included.	01/01/2007		Microenterprise	30,904.00	30,904.00	Kildare
National Enterprise Awards/ Measure 2	Contribution to National Enterprise Awards	01/01/2007		Microenterprise		225	Kildare
Student Enterprise Awards/ Measure 2	Business training for Senior Cycle Students who participate in the CEB Enterprise Awards	01/01/2007		Microenterprise	271,716.54	238,067.93	Kildare
Management Development Program/Measure 2	26 Week program certified by Waterford Institute of Technology, sophisticated yet highly practical programme, which combines management theory, powerful peer learning, networking and action learning approaches.	01/01/2007		Microenterprise	294,317.42	216,702.32	Kildare
Business Development Program/Measure 2	Follow on program to Management Development Program	01/01/2007		Microenterprise	57,043.00	48,243.00	Kildare
Women in Business/ Measure 2	Women in business network costs. Monthly/BI-Monthly meetings held, guest speaker on different topic at each meeting. Meeting restriced to women in business only. No admin expenses are attached to claim and vouched expenses are on file if required for checking.	01/01/2007		Microenterprise	109,575.89	92,339.78	Kildare
Advertising & Promotion/ Measure 2	Advertising and promotion costs relating to M2 activity In the Spring and Autumn of each year we advertise our training programs by means of a printed brochure, local papers and local radio.Correct logos included on all advertising. No admin costs included .	01/01/2007		Microenterprise	136,543.27	126,857.83	Kildare
Marketing & Sales Training/ Measure 2	Successful selling, Marketing for profit and Market research training courses for CEB clients.	01/01/2007		Microenterprise	115,819.00	62,851.40	Kildare
Start Your Own Business Program/ Measure 2	business training program for those wishing to start a business in Kildare	01/01/2007		Microenterprise	278,840.10	209,893.40	Kildare
Business Skills Training/Measure 2	Business skills and advanced business skills training programs	01/01/2007		Microenterprise	55,718.50	48,128.50	Kildare
HR Training/ Measure 2	Employment Law and recruiting and managing staff training courses for small businesses in Kildare. No Admin costs included.	01/01/2007		Microenterprise	21,729.35	16,464.35	Kildare
Finance Training/Measure 2	Cashflow Management Training for clients . (small businesses in Kildare whom are CEB Clients)	01/01/2007		Microenterprise	55,465.35	34,982.75	Kildare
Communications/Measure 2	Communications and assertiveness course	01/01/2007		Microenterprise	16,211.55	11,491.55	Kildare
Mentoring/ Measure 2	Mentoring provided to CEB clients ie Small businesses in Kildare	01/01/2007		Microenterprise	329,544.14	244,746.99	Kildare

PR	Pr for small business	01/01/2007		Microenterprise	3,726.35	2,436.35	Kildare
IT	Desktop publishing training course	01/01/2007		Microenterprise	8,800.00	7,400.00	Kildare
Soft Skills	Various soft skills programs ie. time management, personal development, write your own business plan & writing winning tenders.	01/01/2007		Microenterprise	18,084.40	12,164.40	Kildare
Workshop/Training/Measure 2	One off training workshops for small business in Kildare for example office procedures, successful networking, motivating staff, managing your business through the recession	01/01/2007		Microenterprise	40,486.09	24,295.50	Kildare
Owner Manager Network Program/ Measure 2	Follow up program for management development program participants	01/01/2008		Microenterprise	24,366.70	19,166.70	Kildare
Health & Safety Program/ Measure 2	HACCP/Safety statement training for small businesses in Kildare . No Admin costs included	01/01/2007		Microenterprise	123,662.75	80,070.90	Kildare
Enterprise Encounter/Measure 2	Primary School Enterprise Program	01/01/2008		Microenterprise	4,954.00	4,954.00	Kildare
Glassco Recycling Ltd/Cap	Glass recycling	23/02/2007		Microenterprise	120,000.00	60,000.00	Kildare
Amvic Ireland/Cap	Manufacture of Construction industry product	06/07/2007		Microenterprise	150,000.00	75,000.00	Kildare
Re- Imagine Ltd/Empl	On-line signage design & manufacture	11/05/2007		Microenterprise	11,250.00	11,250.00	Kildare
Valant Ltd/Cap	Virtual office service	06/07/2007		Microenterprise	28,100.00	14,050.00	Kildare
Kelme Ltd/Cap	Manufacture of wood pellets	23/02/2007		Microenterprise	50,000.00	25,000.00	Kildare
Athy Payroll Bureau/Empl	Payroll & book-keeping service	11/05/2007		Microenterprise	3,000.00	3,000.00	Kildare
Fogarty Fencing Ltd/Cap	Manufacture of PVC Fencing	06/07/2007		Microenterprise	40,000.00	20,000.00	Kildare
Pinball Alley Adventure Golf/Cap	Childrens Recreation centre	24/02/2007		Microenterprise	20,000.00	10,000.00	Kildare
Classic Technology Ltd/Cap	Specialised Calibration services	21/09/2007		Microenterprise	60,000.00	30,000.00	Kildare
Premier Aviation Services/Empl	helicopter emergency medical service	11/05/2007		Microenterprise	7,500.00	7,500.00	Kildare
Martinstown Holistic centre/Cap	Training centre for holistic therapists	23/02/2007		Microenterprise	143,358.00	71,679.00	Kildare
Clane Business School/Empl	Business School/College that delivers accounting courses, computer courses	06/07/2007		Microenterprise	11,250.00	11,250.00	Kildare
Electric Studio/Empl	Studio & recording service	23/02/2007		Microenterprise	3,750.00	3,750.00	Kildare
National Broadband Ltd/Cap	Telecommunication services	25/01/2008		Microenterprise	49,586.00	24,793.00	Kildare
Nth Degree Ltd/Cap	Specialised visualisation technology service	04/04/2008		Microenterprise	16,000.00	8,000.00	Kildare
Paradigm Plastics Ltd/Cap	Manufacture of range of moulded plastic components	04/04/2008		Microenterprise	50,000.00	25,000.00	Kildare
Joden Linings/Cap	Spray -on polyurethane protective lining	25/01/2008		Microenterprise	40,000.00	20,000.00	Kildare
Enterprise Encounter/Measure 2	Primary School Enterprise Education Program. Students are asked to setup a music production company, select a no. 1 selling CD single, find the performers and record and produce the single, sell the single to cover the costs and make a profit.	01/01/2008		Microenterprise	4,226.60	4,226.60	Kildare
Plus Point Solutions Ltd/Empl	Purchasing solutions provider	04/04/2008		Microenterprise	7,500.00	7,500.00	Kildare
Irish Biotech Systems/Feas	Assess feasibility of a support service provider to the landfill industry	04/04/2008		Microenterprise	10,200.00	5,100.00	Kildare
Vacuum Pressure Services Ltd/Empl	Provision of Vacuum & compressed air technology	12/09/2008		Microenterprise	7,500.00	7,500.00	Kildare
Imperative Energy Ltd/Empl	renewable energy services & products	12/09/2008		Microenterprise	7,500.00	7,500.00	Kildare
Outside the Box Ltd/Cap	Production of a range of educational resources	06/06/2008		Microenterprise	89,970.00	45,000.00	Kildare
