**Message Body:**

Our family moved into Enfield in the last 5 years and we have found the town to be an amazing community with a significant amount of opportunity to grow.

Enfield has the potential to grow to a moderate sustainable growth town over the lifetime of the County Development plan having regard to its strategic location along the M4 and on the Dublin/Sligo rail line and proximity to Maynooth University. An opportunity to provide capacity for high end land, employment and secondary education exist in Enfield.
