Organisation: Education, Firhouse Community college

Message Body:

We support the extension of Metrolink to serve south Dublin, including Knocklyon, Firhouse, UCD and connecting them with a South orbital Luas from Tallaght to Booterstown.

We are always delighted when our students get to college, University this proposal would make it possible for students to get to colleges easier with public transport rather than putting the added expense of private buses. This can be huge pressure on students from DEIS schools and areas.

This e-mail was sent from a submission form on Eastern & Midland Regional Assembly (<http://emra.ie>)
