**Message Body:**

Living in Knocklyon for 35 years, the transport is now at its definite worst.

Takes 1-2 hours to get to work in the morning, 4 full buses of people going past, traffic at a standstill.

Metrolink needs to update to this area, with Terenure, Templeogue, Rathfarnham all benefitting from it.

Knocklyon has become a forgotten area, with over 5,000 new houses built/planned over the past year or so.

Needs proper transport and now...
