Hi

The current economic plan leaves Knocklyon and Rathfarnham grossly under resourced. Houses are continuing to be built in these areas and traffic is getting manic making it impossible to work in these areas. Where are the plans for the increased transport with reflection on increased numbers of people. Please find attached an updated proposal that would include areas like Knocklyon and Rathfarnham that are necessary.

Regards,
Roisin

Extend Metrolink to serve South Dublin

To include Knocklyon, Firhouse & UCD and connect them with a south orbital Luas from Tallaght to Booterstown.

A Public consultation process on regional development is underway via the draft RSES strategic plan (see emra.ie).
