Message Body:

I live in Knocklyon in South Dublin where there is hundreds of houses being built around the foot of the Dublin mountains where we live. Houses have gone into stocking lane, Scholarstown wood, ballycullen and also pine grove which follows the boundary wall of the Knocklyon exit of the M50.

There has been a huge increase in traffic in the area whilst roads remain the same size for such increased volumes of traffic. Commute time by car from the area to the city centre is getting longer with more people living in the new estates.

The current plan does not come near the South Dublin areas of Rathfarnham, Knocklyon, Harolds cross or Templeogue.

I would be grateful if you would consider servicing the South Dublin area of Knocklyon. We currently do not benefit from Luas and bus services are terrible.

Regards

Oliver Allen
