From: Michele crossan <[REDACTED]@emra.ie>
Organisation: Resident of knocklyon

Message Body:

As a long-time resident in knocklyon I would like to see a South orbital link luas or rail from citywest or tallaght via firhouse and knocklyon to UCD or BlackRock

The traffic in knocklyon is at gridlock in rush hours and the M50 is similar

The area is one of few remaining with no local access to rail or tram. This is untenable considering the scale of new housing developments in the area

This e-mail was sent from a submission form on Eastern & Midland Regional Assembly (<http://emra.ie>)
