A Chara,

I wish to make a submission in relation to the Draft RSES, with particular focus on Maynooth as a Metropolitan Key Town. The draft outlines the potential for above average growth in the town. While there are lands that could be used for development, it is crucial that services are implemented beforehand. I would ask you to consider the following as part of your deliberations;

1. A second Interchange off the M4 with a ring road to the University
2. That the planned ring roads are developed and finalised
3. That a community centre is developed
4. That a Full Time Garda station is opened
5. That a Primary Health Care centre is developed in the town
6. That adequate childcare places are available
7. That adequate primary and post primary places are available

Is mise le meas,

Cllr. Naoise Ó Cearúil
