Dear Sir,

Enfield has the potential to grow to a Moderate Sustainable Growth town over the lifetime of the County Development Plan having regard to its strategic location along the "Knowledge Corridor" and on the Dublin/Sligo rail line and its proximity to Maynooth University. An opportunity to provide capacity for high end land hungry employment and secondary education facilities exists at the eastern end of town.

Please allow Enfield to grow in a planned way to take advantage of our transport and location.

Regards,

Orala Daly
