Subject: National Science Park, Mullingar

Dear Eastern and Midlands Regional Assembly

We would like to see the inclusion of the lands formerly owned by Imperial Tobacco at Dublin Road, Mullingar now known as National Science Park, within the policy objectives for Mullingar (draft reference Chapter 4, page 58).

Our aim is to attract both indigenous and foreign direct investment in the area of life sciences and innovation to cluster around the existing facilities of SteriPack Group and Irish Manufacturing Research who have already relocated to this central location.

We would welcome the support of the Regional Assembly in recognising the potential of National Science Park to create employment, enterprise and innovation for the region.

Yours sincerely

Jean Dempsey
