Subject: Metro extension Knocklyon
Date: 24 March 2019 15:46:51

Hi,

I strongly support the extension of the much-needed sustainable transport corridors to the Firhouse, Knocklyon, Rathfarnham & Ballyboden connecting us to the city and providing a south orbital transport link to UCD.

Such an extension would go a long way to addressing an inequitable public transport system in this city and improving the quality of life for hundreds of thousands of citizens.

Sincerely,
Fergal McDonnell
