**Re: Proposed Material Amendments to the Draft Regional Spatial and Economic Strategy**

A Chara,

Louth County Council has reviewed the published material amendments to the Draft Regional Spatial and Economic Strategy (RSES) on display from the 15<sup>th</sup> March 2019 to the 12<sup>th</sup> April 2019. The inclusion in the material amendments of the recommended additions to the Regional Policy Objectives (RPO's) for Drogheda and Dundalk contained in our submission of the 22<sup>nd</sup> January, 2019 is noted. Louth County Council has no further observation to make at this time. The observations of Louth in the preparation of the Draft RSES are as contained in our previous submissions to the public consultation process to date.

We would like to thank you for the opportunity to make observation at the material amendment stage of the preparation of the Draft RSES. Please do not hesitate to contact Louth County Council if you require clarification of the content of our previous submissions or any further information that Louth County Council can provide in the finalisation of the Draft RSES.
