Subject: METRO and LUAS extensions to Firhouse, Knocklyon and Ballyboden

To whom it might concern,

My name is Ana Mejalenko. I 've just bought a house in [REDACTED] and will be hopefully moved there in 2 months.

As a future resident of Knocklyon, I support the extension of these much-needed sustainable transport corridors to the Firhouse, Knocklyon, Rathfarnham & Ballyboden connecting us to the city and providing a south orbital transport link to UCD.

Kind regards,
Ana
